

Empowering Individuals to live more Independent, Productive and Fulfilling lives.

Visit Handi-Crafters....Our campus is located on Barley Sheaf road in Thorndale. We are situated on 14 acres of beautiful property with easy access to Route 30. Our +20,000 sq. ft operation is housed in two buildings. We employ over 60 full and part time staff, including a full time nurse.

We work predominantly with individuals with diverse special needs, including individuals with developmental and physical disabilities, mental health diagnoses, cerebral palsy, traumatic brain injury and people on the autism spectrum. We serve Chester and surrounding Counties.

Handi-Crafters has been a great resource for my small business! They worked very hard to make sure my job was done not only to perfection, but also in a timely manner. The production team welcomed my involvement in the process and kept me updated each step of the way. I really enjoyed working with Handi-Crafters and am excited to refer other businesses to them.

~ Sara Gallo, Sara Gallo Jewelry

Handi-Crafters runs one of the largest employment and disability focused non-profit support service programs in Southeast Pennsylvania. Each year we help over 400 individuals to access rewarding employment opportunities in the community and in our Supported Workshop Program. We achieve our goals through partnerships with great employers and the acquisition of work contracts with businesses who choose socially responsible outsourcing to meet business goals. We also offer a continuum of support programs which includes housing solutions and retirement options. In operation since 1961, Handi-Crafters is a trusted resource serving residents of Chester and surrounding Counties.
