

THE HANKIN INVITATIONAL BENEFITS

# Handi Crafters

Handi-Crafters runs one of the largest employment and disability focused support service programs in Southeast Pennsylvania. Each year we help over 400 individuals to access rewarding employment opportunities in the community and in our Skill Development Center.

We achieve our goals through partnerships with great employers and the acquisition of work contracts with businesses who choose socially responsible outsourcing to meet their production, assembly and packaging needs.

We also offer a continuum of support programs which includes providing accessible housing assistance and retirement in our Older Adult Daily Living Center. In operation since 1961, Handi-Crafters is a trusted resource serving the needs of those who are differently-abled in Chester and surrounding Counties.

**HANKIN INVITATIONAL HISTORY**

The Hankin Invitational began over 30 years ago with 40-50 people enjoying an afternoon of golf. Over the years, the Invitational has become a prestigious event with 228 golfers, sold out morning and afternoon flights. The tournament raises over \$200,000 annually for a good cause. Thanks to all our sponsors over the years for helping us with this mission! Together we make things a little brighter for many individuals in our local area.
